

FFA SCHOLARSHIP COMPETITION SUPPORTER

One of the highlights of last year's REAL AG 2011 Convention and Trade Show was the awarding of two \$1,000 scholarships to the top finalists of the First Annual REAL AG FFA Scholarship Competition. Each student presented for ten minutes to a panel of judges representative of the local agricultural and educational communities. Their well-prepared presentations focused not only on an issue of their choice and passion; but was also considered to be a topic currently challenging the agriculture industry in the Pacific Northwest. In the end, all participants were considered outstanding but the final recipients for the 2011 scholarships were Nicole Aichele from Walla Walla High School and Tanner White from Prosser High School.

Our goal this year is two-fold: to provide additional scholarships as well as increase the FFA member participation in the competition. Your support is critical towards realizing this goal! As an Exhibitor, we invite you to contribute \$50.00 towards the scholarship fund for awarding additional scholarships at the Second Annual REAL AG FFA Scholarship Competition.

As an FFA Scholarship Supporter you will receive the following:

- Your company will be listed as an *FFA Scholarship Supporter* on the website;
- Your company will be listed as an *FFA Scholarship Supporter* on the event signage;
- Your company will be listed on one of the awarded scholarships as an *FFA Scholarship Supporter*.

It is our hope and intent that the more scholarships we award, the more students we can touch and enlighten on the various career opportunities available to them in the honorable field of agriculture.

We appreciate your continued support of the REAL AG Convention and Trade Show and the FFA Scholarship Competition and we hope you will give this opportunity for the Mid Columbia Region's students serious consideration. If you have any questions, please do not hesitate to contact me at (509) 585-5460 or shanej@agmgt.com.

Sincerely,

A handwritten signature in black ink that reads 'Shane Johnson'.
